Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Who says you can't teach an old dog new tricks? Case in point: Piper Prescott's former mother-in-law, Melly. Beneath her twin sets and pearls beats the heart of a geek - a geek whose programming changes for the point-of-sale software in Piper's shop have the owners of the program ready to make her an offer she can't refuse. "Rusty" Rusty Tulley and Chip Balboa swing by Brandywine Creek - just in time for the town's annual Oktoberfest, which has cinnamon, cloves, and cardamom flying off Piper's shelves in record numbers. News spreads faster than a text message, and Melly is the toast of the town. But it isn't long before Melly's status changes to public enemy number one when Chip's body is found at the foot of her basement stairs. Questions start to pile up when handsome police chief Wyatt McBride arrives on the scene and the coroner sets the time of death for the previous evening. McBride wants to know why it took Melly so long to report the incident - especially after she admits to arguing with Chip about the contract he wanted her to sign. Piper knows Melly would never hurt a fly, so she enlists the help of her BFF Reba Mae to clear her name - but can they find the real killer before Melly gets sent away for good? A mouth-watering entry in Gail Oust's delicious Spice Shop series, Cinnamon Toasted is sure to delight cozy fans of all stripes.
