A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lulu.com, United States, 2005. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This memoir tells of my recovery from a coma when I was 13. Because I live a normal life now, people are surprised to learn that I have had a Traumatic Brain Injury. They re always so curious: How long were you in a coma? Do you remember anything? How did it happen? This book answers all those questions and more. An emotional Part I allows readers to experience the range of emotions my family felt as I lay unconscious. Part II describes my frustrations upon gaining consciousness: my right side was paralyzed and I couldn t speak. Part III tells how I was received once I returned to eighth grade and follows through to high school graduation, describing physical, social, and emotional problems I had along the way. This story shows how I met these problems with determination and how I accepted the ones I couldn t change.
