Shortcuts Through Time (Paperback)

By Tom Reidy

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Shortcuts Through Time is my second anthology of Twilight Zone genre science fiction stories. Operation Chronos is about a university physicist that befriends an elderly German janitor who had smuggled plans for a time machine out of Germany at the end of World War II. The professor is able to construct a time machine from the plans resulting in an alternate universe where professor and janitor reverse roles. A Change of Plans is based on the true life experience of the author's mother that, had this event not happened, the author would most likely never have been born. A time warp enables a man to go back to the past and prevent his grandmother's killing at the hands of his grandfather. But what will become of this man as a result of the change? (AUTHOR'S NOTE: The names, place, and dates have been altered or changed.) Winners and Losers recounts what happens to a community college instructor who can visualize tomorrow's winning lottery numbers. The outcome is embedded in the title of the story....
