BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 180 x 132 mm. Language: English . Brand New. Like a latter-day Gregor Samsa, Professor David Kepesh wakes up one morning to find that he has been transformed. But where Kafka's protagonist turned into a giant beetle, the narrator of Philip Roth's richly conceived fantasy has become a 155-pound female breast. What follows is a deliriously funny yet touching exploration of the full implications of Kepesh's metamorphosis a daring, heretical book that brings us face to face with the intrinsic strangeness of sex and subjectivity. The Breast is terrific . . . inventive and sane and very funny. The trick which is the heart of the book is brilliant . . . and rich with meaning. John Gardner, The New York Times Book Review Hilarious, serious, visionary, logical, sexual-philosophical; the ending amazes the joke takes three steps beyond savagery and satire and turns into a sublimeness of pity. One knows when one is reading something that will permanently enter the culture. Cynthia Ozick.
