New Internationalist Publications Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. One World Two is even more ambitious than Volume One in its geographic scope, featuring 21 writers drawn from every continent. Most of the stories are unique to this volume, while others are appearing for the first time in English (as in the case of the contributions from Egypt's Mansoura Ez-Eldin and Brazil's Vanessa Barbara). Some of the writers are established stars while others are still building a reputation. There is a loose theme of bridges between people and cultures but the themes and writing styles are as richly diverse as their writers' origins.
