Brand New Book ***** Print on Demand *****.Are you tired of not having control of your career, your time and your money? Have you changed jobs hoping things would get better, only to find it's the same stuff just a different location? Do you need additional income that your current job doesn't provide, but don't want to quit yet? Do you feel like your job is to just continue and take the abuse no matter the risk to your patients or your malpractice record? Do you want to try other jobs (including non-clinical ones), but don't have the time or flexibility to explore your options? My name is Dr. Lorraine Barron, like you, I've been in those situations and I want to share with you what I have learned and what the Locums Lifestyle can provide. To this date, I have used Locum Tenens in my career for about every possible reason and opportunity -to making fast and easy money, exploring other jobs and positions, to even taking some time off and freeing my schedule for my family (just because I felt like it) and most of all, reducing my work schedule without reducing my income.
