## THE PEOPLE OF THE LIE

Paperback. Book Condition: New. Not Signed; The patient suddenly resembled a writhing snake of great strength. More frightening than the writhing body, however, was the face. The eyes were hooded with lazy reptilian torpor. This is the second bestselling book by Dr M. Scott Peck. In this gripping psychology book, the leading psychiatrist describes his encounters during psychiatric therapy with patients who are not merely ill but manifestly evil - People of the Lie. This brilliant, disturbing book forces us to confront the darker side of our natures and to recognise that without spiritual and religious dimension, modern psychiatry cannot claim to understand human nature or behaviour. It is a worthy successor to The Road Less Travelled. book.
