826 Valencia. Paperback / softback. Book Condition: new. BRAND NEW, The 826 Quarterly, Volume 19, Molly Parent, Eda Kaban, Matthew Zapruder, This edition of the "826 Quarterly" contains fiction, non-fiction, and poetry written by authors ages 6-18. The pieces are selected from all the 826 programs (drop-in tutoring, workshops, in-schools, projects, field trips) and at-large submissions. Pieces are chosen in a traditional literary journal style by an editorial board comprised of students and volunteer tutors. This issue includes a hard-hitting investigation into what one 11 year old writer calls "the hipster epidemic," poetry about real ships that are sunken under the streets of San Francisco, introspective personal essays on group identity, and short fiction about zoo animals who learn to embrace democracy. It's a wild ride with something to make readers of all ages smile and think.
