Even after the sensational trial of St. Louis builder Holden Sawyer, the answer to that question haunts marketing consultant and juror Mara Taylor. All Mara wants is to resume her normal life But because of the lengthy, notorious trial, her business is in ruins. Her roommate is gone along with Mara's boyfriend. Then a series of accidents convinces her that someone wants her punished for setting Holden free. And the former defendant wants her help in solving the murder! Pushed beyond endurance and determined to regain her life, Mara sets out to solve the murder on her own. Every clue embroils her more deeply into the life of one prime suspect, Holden Sawyer, the defendant she helped acquit. What was Holden's relationship with the beautifully erotic murder victim? Why does a mysterious gold necklace help Mara tap into the victim's mind and the secrets a television evangelist religiously protects? In the midst of the front page backlash her investigation generates, is Mara falling in love with the man she helped free, or the allure and excitement that surround him? Which is more important, knowing the truth, or trusting her heart?.
