0.7in. Discover the Bible Code for Understanding God Professor

Avraham Apatow truly reveals the depth and wisdom of

Genesis in a way that is simple and wholistic. This is something

that many have sought to do and Professor Apatow's book

certainly must be regarded as one of, and perhaps the most

successful work to do this. -- Rav Yehoshua Gerzi The Bible is

filled with so many wonderful and inspiring stories, but have

you ever wondered how all those stories fit together Is the Bible

just telling us history lessons from the past, are all those stories

part of a greater lesson that we are supposed to understand At

age 32 Avraham Apatow, a professor of Greek philosophy

began to study and practice Judaism for the first time in his

life. He eventually moved to Israel where he studied with some

of the leading contemporary rabbis and scholars. In Jerusalem

he met Moshe Kline, an independent scholar who rediscovered

a lost tradition for how to read the Torah. Moshe Kline

discovered that the most important Bible Code is an...
