Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Authored by James Green, How to Rank on Amazon: How to Self Publish on Amazon Profitably provides a complete step-by-step blueprint to become a successful author on the Amazon Kindle platform. Self publishing on the Amazon platform can be a very rewarding endeavour and Amazon make the whole process extremely simple. But good as they are at selling, sometimes your book just needs a helping hand to get it noticed. So this book breaks down the steps logically and shows you exactly what steps you need to take to get your books to the top of Amazon listings - without taking up all your precious writing time! The Amazon self-publishing Kindle platform is an amazing opportunity for the self-published author and this book will demonstrate how successful your books can really become by following a logical set of easy steps, SEO techniques and marketing strategies. The SEO techniques in this book will supercharge your book and show you how can get not only Amazon, but Google and the other search engine to assist you in raising the profile of your Kindle books. The book will cover such areas as: How to select your kindle niches; How to optimise your book title and descriptions; How to get an amazing book cover created; How to get those all-important book reviews; How to leverage both Facebook and Twitter to your advantage; Using your website to market your self published Kindle books; Forums and social marketing techniques; Amazon Kindle pricing strategies; How you can leverage the power of the search engines to drive your sales; How to re-purpose your Kindle books to maximize your earnings; How to use outsourcers to increase your...
