This stimulating play-and-learn book for the young child is fun to look at, exciting to use, and involves children just like them performing a range of engaging activities. Young readers will learn new words and ideas as they use interactive stickers to finish building a tower of toys, find objects for the kids for jump over, put a carpenter's tools on a shelf, and more. The stickers are reusable, so children will be able to complete the pages again and again, as well as use the stickers to create their own books, posters and games.
