Americans have the highest divorce rate in the Western world. Plus, sixty percent of men and fifty percent of women will have sex during their marriage with someone other than their spouse. Yet despite those statistics, the marketing of weddings is flourishing to the tune of \$72 billion a year with tons of TV wedding reality shows to support it. Lori Jae Ricci explores how marriage has become an outdated habit that may not be serving individuals and couples in the NOW! Lori Jae asks readers to open their minds, look at commitment and marriage from a different point of view and discover a NEW way to create a lasting relationship.
