

The Price of Free Will: The Singularity Cometh

By Christopher Dorda

Outskirts Press. Paperback. Book Condition: New. Paperback. 440 pages. Dimensions: 8.5in. x 5.5in. x 1.1in. *The Price Of Free Will*, by Christopher Dorda The Concept If you had the capacity to change the world for what you thought was the better, would you Even if it redefines what it means to be human What if you knew it would kill you Alistair Maxwell, genius, hacker, some might even call him a precognitive sociopath, is thrust into this very dilemma by an assassination attempt on his life. The Story Through hard work and study, Alistair Maxwell gains access to every bit of information available on the planet and starts making connections. What he discovers sends him into a schizophrenic paranoid depression. Corruption, war, ignorance, starvation, poverty, exploitation, genocide. . . A single ever-repetitive thought permeates his existence: Someone has to do something about this! In 2005, in a quantum reality very close to our own, Alistair Maxwell is about to exercise his free will. Employing his unique precognitive abilities, knowing that his own death is assured whether he fails or succeeds, he attempts to end the suffering of the world because he believes that he can, and because he believes its the right thing to...
