### ***Reviews***

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

## LYRICS WITHOUT MUSIC; POETRY WITHOUT SOUL (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s a very small collection of the 154 plus poems and songs I have written through the years. As the back cover poem says, Lost in moving, most of my poems were lost in the multiple household moves I have made. Much of this collection was actually written in the last few years or as I was publishing this book. However, some are over thirty years old already as I wrote them in high school! Although this is a small collection, it packs a huge message!.
