RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 96 pages. Original publisher: Carlisle Barracks, PA : Strategic Studies Institute, U. S. Army War College, 1993 OCLC Number: (OCO)44375821 Subject: World politics -- 1919-1932. Excerpt: . . . power system, that old and evil order with its ugly plan. . . of alliances, of watchful jealousies, of rabid antagonisms, which Wilson perceived as the primary cause of the war. Ultimately, that war had to be fought to do away with the old order and to establish a new one, . . . the center and characteristic of the old order being that unstable thing we 44 used to call the balance of power . The new system was collective security. In its pure form, what Inis Claude calls ideal collective security, it is a system for managing power that requires the participation of every state in the world under a legally binding and codified commitment on the part of these states to respond to aggression anytime and anywhere it might occur. The scheme is collective in the fullest sense; it purports to provide security for all states by the action of all states, against all states which might challenge the existing order by the arbitrary unleashing of their power. . . . Ideal collective security. . . offer s the certainty, backed by legal obligation, that any aggressor would be confronted with 45 collective sanctions. The new approach, like that of the concert, still had attributes that could be explained using the assumptions of the 46 realist paradigm. Collective security was, after all, a state-centric system for managing power, focused as it was on using states as principal actors to preserve state sovereignty. And the methods for that preservation certainly did not shrink from the application of...
