Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have study inside my individual daily life and may be the greatest ebook for at any time.

Liguori Publications, U.S., United States, 2014. Paperback. Book Condition: New. 211 x 147 mm. Language: English . Brand New Book. Saints are real-life heroes and heroines of faith who inspire us by their virtues to become more like Christ. In this series of beautifully illustrated early reader books, these real stories come to life and connect with today's children, ages 4 to 9. Thomas More was the father of a happy and holy family. They prayed and read scripture together. He believed in living his faith and teaching by example. Loyalty to God was first and foremost in his life. A man of great integrity, he would not compromise his moral values. He shared his strong beliefs until his martyrdom in 1535. He is the patron saint of lawyers and public servants. His feast day is June 22.
