

## The Pocket Guide to Wine: Featuring the Wine Tube Map

By Nikki Welch

Birlinn General. Paperback. Book Condition: new. BRAND NEW, The Pocket Guide to Wine: Featuring the Wine Tube Map, Nikki Welch, Learning about wine can be a daunting task. With terms like assemblage, batonnage and cuvee; ullage, terroir and vieilles vignes, it's not surprising that many people are put off and simply reach for the nearest bottle of red or white in the supermarket aisle. This is the perfect, concise guide for anyone who loves wine but wants to find out more. Arranged in an easy-to-use format in which different types of wine are shown schematically on a map like the London Underground, the reader can see at a glance the salient features of hundreds of different wines and how they relate to each other in terms of taste. A unique and original tool to navigate the complex world of wine, The Pocket Guide to Wine enables wine lovers to find out more about the wines they already like and to make informed choices as they explore further.

### Reviews

*This pdf can be well worth a read, and much better than other. I am quite late in start reading this one, but better then never. Your daily life span will probably be transform when you full looking over this book.*

-- Roxanne Stehr

*This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dr. Janis Reilly
