Foundations for a New Civilization: Structure, Change, Tendency in Nature Ourselves (Paperback)

By Will Crichton Phd

Voluntary Living Press, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Canadian philosopher, Will Crichton, presents a revolutionary philosophical system in this book. It offers a fully naturalistic account of experience. It presents an explanation of consciousness and opens the door to naturalistic theology. The book contains a unique analysis of experience that embraces modern physics, psychology, religion, and culture within the same view of reality. Crichton s work furnishes a foundation for a psychology that includes the reality of consciousness on the same foundation as the reality of the body and brain. Natural existence includes both conscious experiences and atoms. The source of consciousness exists in a purely naturalistic, though not entirely material, universe. His system is pregnant with psychological theories. - From the Afterword by Carl Semmelroth PhD I approached Crichton s book with total skepticism. A new system of philosophy in 214 pages? Now I m not sure I will ever stop re-reading it. He starts with an analysis of structure, change and tendency (causation). This analysis takes him on a journey that makes spectacular visits to most of the major problems in...
