

## Rhetorica Ad Herennium Book II On the Theory of Public Speaking Volume 2

By Marcus T. Cicero

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 7.8in. x 5.1in. x 0.2in. Book 2 deals with the Conjectural issue (probability, comparison, signs, presumptive proof, subsequent behavior, and confirmatory proof). Under the rubric Judicial issue the Absolute Juridical suit is examined along with the sources of the law (law of nature, statutory, common law, previous judgments, equity, and agreement). Next the Assumptive juridical cause is discussed (comparison, shifting the question of guilt, acknowledgement of the charge, and rejection). At the end the artistic development of an argument is studied (proposition, reason, proof of the reason, embellishment, and resume). Contrary to the myth that the Ad Herennium is just a book on rhetoric and language, it is a book on the art of public speaking. It is really a practical manual for administrators, managers, executives, paralegals, teachers, professors, judges, attorneys in general, litigators in particular anyone who wishes to write or give a speech. Though humble in its approach, it delivers greatness. This item ships from La Vergne, TN. Paperback.

### Reviews

*Merely no terms to explain. it was actually written quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.*

-- *Cletus Quigley*

*This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.*
