This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Just before the last Mt. Vernon meeting I was in the city library, and seeing in the catalogue a volume entitled: Epistles; Domestic, Confidential and Official of General Washington, I brought it away thinking I might find something new in it, as indeed I did.
