Brand New Book ***** Print on Demand *****.Author Dan Predpall says in the nearly forty years that I ve been a consultant, working for large consulting firms, and starting several small businesses, I ve never seen a better time to become an independent consultant and monetize your skills and knowledge. Dan wrote this book with two audiences in mind: aspiring consultants, and established consultants. For those interested in starting a home business, this book is a great training manual that will provide the guidance needed to get off to a good start. Established consultants will find many actionable tips and techniques that will unlock their potential and accelerate growth. More specifically, the book covers: Seven essential factors that combine to create a powerful consultant s mindset How to describe your service offering in a way that prospects want to know more Discover six influencers that, if used in your proposals, will reduce purchase anxiety and increase buyer interest How to create a lead generation system that will fill your sales funnel A framework for writing successful proposals Marketing on the Internet: a new frontier where consultants can market their services The Consultant s Problem Solving Framework, a nine-step process for solving your customer s problems every time. How to communicate with your customers so they come back for more Why project management can be your best marketing tool A complete business plan for starting your consultancy How to create your very own roadmap to success in consulting.
