UPDATED EDITION Dec. 2014: Only applies to edition with red circle over finger with string on it, with white background - edited by Pat Stephenson: All original 1918 edition illustrations included; typos corrected; headers show lesson number on each page, note-taking pages enhanced. Roth Memory Course, A Simple and Scientific Method of Improving the Memory and Increasing Mental Power, is for everyone who would like to improve their memory, whether for business, personal, or study purposes, with such methods as brain games and memory games. While some are fortunate enough to be born with an excellent memory, those of us who were not can learn this skill successfully. The author created this system out of his own desire to improve his memory and improved it dramatically. His friends insisted that he teach them his course; and his career was born. Excerpt below from Lesson One of Roth Memory Course: A Simple and Scientific Method of Improving the Memory and Increasing Mental Power is Roth's personal account, shows how anyone who applies his memory secrets can dramatically improve their memory too: HOW I DISCOVERED AN EASY WAY TO REMEMBER How I Began When I was a young man my memory was below normal. It was because my memory was so wretched that I determined to find some way to cure the trouble. It did not take me long to discover that a bad memory is not so much a matter of forgetting as of not getting at all. In other words, the pictures made on the brain were blurred, indistinct, foggy. This applied to facts, figures, names, and faces - all of which slipped from...
