Andrews McMeel Publishing, United States, 2010. Hardback. Book Condition: New. 208 x 206 mm. Language: English . Brand New Book. Gracie's daydreams come alive with AniMotion as she imagines performing as a ballerina, hula girl and more. Written by Kate Ohrt and illustrated by Kristi Valiant, Dancing Dreams employs Accord's New York Times best-selling AniMotion(tm) technology and introduces readers to dancing sensation Gracie. Gracie is a girl with her head in the clouds and a bounce in her step. From performing as a prima ballerina under the spotlight to cheerleading on the football field, Gracie imagines a number of ways to kick up her heels. Readers can envision her imaginings through Accord's AniMotion(tm) panels that reveal the secrets behind Gracie's daydreams and dance moves. Whether Gracie imagines herself as a flamenco dancer prancing and clicking to the beat or as a hula dancer with her grass skirt flowing in a tropical breeze, the truth is that she's still Gracie--and today she's the star of her very own show.
