D.K. Printworld (P) Ltd., New Delhi, India, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The term Management pervades all facets of life, not in managing only a business, an organization, or a society. It certainly is a larger horizon, impliciting the function more complex. The authors, therefore, present 100 pertinent quotations on management, covering all aspects. Each quote is conjoined with a stimulating painting of Lord Ganesha, the Lord of Peace, Prosperity and Wisdom, matching the theme. While many of these thought-provoking and enlightening quotes are from towering personalities, some are the own creations of the authors. Systems, strategies, operations, perception of the masses, technological changes, and conventional factors of production, all fall under the ambit of Management. And managing them is exacerbating, at times. The quotes in this book, with deep meaning, not only become a source of inspiration, but also help one to improve one's efficiency and add sparkle to his/her everyday work and life. Printed Pages: 108. Size: 16 x 24 Cm.
