Answers in Genesis. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 7.1in. x 4.3in. x 0.3in. Is the earth billions of years old or just thousands? Are radiometric methods of dating rocks and fossils reliable? What evidences support a young age for the earth? Where did the idea of millions of years come from? How old is the earth? Most secular scientists believe the earth to be billions of years old. They most often use radiometric dating methods to support this assertion. But, do they have a rock-solid case? Discover the primary reasons why their belief in billions of years cannot be correct. This Pocket Guide to A Young Earth examines the age of the earth from a biblical and scientific perspective. It reveals geological information not often presented in public schools and secular colleges, and will equip you with answers that are based on the authority of God's Word. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
