### Reviews

*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Excerpt: . . . He that all his life, it may be, has needed an argument to prove a future existence, throws himself upon it in the hour of the souls desolation, as though it were a friend. Yesterday, he would have said, I do not know; to-day, he speaks of the dear object he has in heaven, as though it were in the next room. Would we see the depths of the ocean, we must calm the rufflings upon the surface. We need times and places of repose, that we may not repose altogether. We need these regular checks of the world, to give pause to thought in very weakness. We need these weekly rests. We need these ideas that spring without effort, that come hovering into the still chamber of the heart, like the birds to their tree, and like the flocks to their folds. God leaves us not to choose our own rests: there is a rest in the circle of life. There is a pall to make certain of, if nothing else; there is a grave to distil silence into the soul, if nothing more; and who can speak the richness and measure of those thoughts which glide into the bosom, on such occasions, unasked. Many are the great things of Gods goodness, in which we see his power Almighty, and his hand Divine. But he does not stop with these mightier works of his omnipotence and love. See how there is not a...
