Brand New Book ***** Print on Demand *****.Both Klik Play and Click Create had revolutionized the world of Windows programming, by providing easy drag-and-drop kind of interface for producing complex program logic, all without writing codes and scripts. Multimedia Fusion 2 (MMF2) is the latest generation of the Click series program creation platform. The goal of this book is to provide starters with rich technical information so the best decision and judgment can be exercised when creating Java, Flash Facebook applications through MMF2. The focus of this book is on application creation with the Java support feature, the SWF Exporter and Facebook integration .
