Pub Date: 2002 Publisher: Relay Press Editor's Choice modern. admittedly. Come along. is a modern disease. And like neurosis. the emergence of various compulsive symptoms. affect each other. and all of a sudden would be wrong. is that the modern syndrome! The past six years. Mr. Liu Yong with his in roller royalties to help more than two hundred high school students to continue their studies. organized an essay competition Write a letter to the laid-off parents. and donations Weiwei hope primary school 45 schools . Please the identified Mr. Liu Yong genuine book. do not buy pirated goods to his charitable activities in China to promote more and wider. Media recommended sequence the spring of the year several graduate students come to me. to me as their thesis theme. - They say I'm shocked. first push said: I how worthy of study. went to see the outline of the thesis that they sorted out. I was shocked. I thought: My God! How they like better than I I am even in my memory has long been forgotten. and there is no entry my collection of early works. and they find out. and projections of my creative years. To be honest. I was not able to provide more to them what the material. only to witness the authenticity of the information. and to express their own views on their analysis. I think that this study is not so much that they benefit. it is better to say that they made me a better understanding of themselves. and also help me recover many lost old work. Who works through a chronological. I have a chapter read. as if to relive...
