Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.John Milton is a former assassin for the British government. He is a ronin, trying to atone for his past sins by offering his services to those people who have no-one else to whom they can turn. Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child. Milton offers to help, but, before he can, Eddie is found dead in circumstances that Milton considers suspicious. And then events take a turn that no-one could have anticipated. Milton s attempted good deed becomes a quest to unveil corruption at the highest levels of government and murder at the dark heart of the criminal underworld. Milton is pulled back into the game, and that s going to have serious consequences for everyone who crosses his path. Prepare yourself for another hair-raising, heart-pounding adventure from the new master of the thriller.
