Robbin adores children and their creative genuine spirits. She loves their giggles and pure joy for life and loves to encourage the children to use their imagination, which is how The Sneaky Shoe Bug began. As Robbin has spent the last 26 years of her life filling her days with pre-kindergarten children, untied shoes has been a constant. Through her years of re-tying shoes, she blamed the sneaky shoe bug for causing the problem, and so this story was born. This item ships from multiple locations. *This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).*
