Redemption Press, United States, 2014. Paperback. Book Condition: New. 2nd. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. There can never be enough good literature on the human relationship which, more than any other, bears a Divinity (Buechner). Transforming Keys, however, is written out of the authentic, living experience of union and communion with the triune God, whose intimacy marriage reflects, and in whose Gospel there is ultimate hope of healing and growth. Patricia and her husband, Steve, live the life of prayer together, and her book is just such a book. -Dr W. Ross Hastings, Ph.D. (Chemistry), Ph.D. (Theology) Associate Professor, Mission Studies, Regent College, Vancouver BC Transforming Keys is compelling, counter-cultural, even controversial! Patricia has not been afraid to tackle sex and affairs, forgiveness, submission, and the battleground of the mind. It's that simple. God didn't wrap it up in complications and contradiction. He gave us truth to feed our restless hunger. Can we better His design, His remedies? Patricia invites us to search diligently and apply His blueprint to our lives. OUR MOTHERS NEVER TAUGHT US THIS STUFF!.
