The advice in this book to grooms is pretty simple. You don t need to become an expert on women. Only one woman. Learn the secrets to loving and cherishing her. Take an honest look at your family of origin: its unwritten codes, how it has shaped you, and the ways it affects your relationship with your wife. Learn how to speak each other s language and appreciate the qualities each of you brings to your marriage. Robert Wolgemuth and Mark DeVries offer a solid, approachable look at improving communication skills, secrets for a great sex life, budgeting basics, dealing with in-laws, navigating tough times, and much more. Above all, you ll cultivate a spiritual unity that draws the two of you closer to each other as you draw closer to God. Make this first year together as husband and wife what it was meant to be: the most important year in your life.
