Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.TC's life is a busy one, filled with the physical demands of her job as a mail carrier and her dreams to play basketball, not to mention the demands of her convoluted love life. Her girlfriend, Samantha, is one beautiful and powerful woman--and a cop. Jealousy seems to be the unavoidable side effect of their open relationship, and though they each have a lover on the side, each fears loss and heartbreak. Are any of them meant to be together? Is Samantha the one for TC--or is her true love still out there somewhere? Jay, TC's best friend, supports her, but he has his own issues. A jock and a player, Jay considers himself a real ladies man, but on the day he meets Carly, everything he thinks he knows about himself is called into question. Carly has only recently started living her life as a woman, and she's got to balance her natural attraction to Jay with her fear that he will reject her when he learns the truth. As Jay does his best to give TC advice on her own love life, he's got some big decisions to make himself. Is Carly his destiny? Is he hers? Things may not always go as planned, but that's the beauty of life and relationships--and this is especially true in The Million Dollar Story.
