I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from Eastern Stories and Legends I recollect riding late one night along the high-road from Galle to Colombo. The road skirts the shore. On the left hand the long breakers of the Indian Ocean broke in ripples on the rocks in the many little bays. On the right an endless vista of tall cocoanut palms waved their top-knots over a park-like expanse of grass, and the huts of the peasantry were visible here and there beneath the trees. In the distance a crowd had gathered on the sward, either seated on the grass or leaning against the palms. I turned aside - no road was wanted - to see what brought them there that moonlight night. The villagers had put an oval platform under the trees. On it were seated yellow robed monks with palm-leaf books on their laps.
