By Clyde L Cronkhite

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A book for those who are teenagers, are about to be teenagers, were teenagers, are parents of teenagers, grew up performing magic, and just enjoy magic and mystery. In this adventure story, readers are introduced to innovative methods of overcoming challenges faced by young people today. The story of Jonathon Koppervich (his friends call him Johnny Copper for short) involves a teenager who transfers to a new school. The transfer is the result of his dad's promotion from police officer to detective--which causes the family to move to a new area of the city. Johnny finds ways to win friends as well as startle adversaries by performing magic and applying some investigative techniques learned from his relatives. Part 1 places readers right in the middle of today's school environment. They experience the challenges faced by today's teenagers---from being bullied to just fitting into today's youthful culture. The methods used by Johnny Copper to deal with these challenges are adventuresome, yet practical. The book is both fictional and nonfictional. Although Johnny is a fictional character,...
