Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Roman Journals of Ferdinand Gregorovius, 1852-1874 Fifteen years have passed since Gregorovius's Tagebucher were given to the public in Germany, and the somewhat belated appearance of an English version may seem to demand a few words of justification. This justification is, I think, found in the fact that the stirring events of the years chronicled by the historian in his diary have forfeited none of their interest with the flight of time, and the summer that celebrates the Garibaldi centenary seems no inopportune season for bringing before the English reader the record of an eye-witness of the eventful years that beheld the death-struggles of the temporal power of the papacy and the rise of United Italy. The Rome that Gregorovius knew and loved is, alas! vanishing day by day, and the laments with which, at the close of his journal, he bewails her gradual transformation must be re-echoed by everyone who first knew her, as I did, even so recently as the early days of King Humbert. While the monuments of antiquity are jealously treasured and preserved, the equally interesting memorials of the Middle Ages have been ruthlessly dealt with, having in many cases been utterly destroyed, in others dwarfed or crowded out of sight by the huge modern buildings which have arisen beside them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
